

**Minute of Appreciation to New Garden Monthly Meeting for Hosting  
Quarterly Meeting on 27 April 2014  
Approved at Business Meeting Held There on the Same Day**

We extend our warmest appreciation to New Garden Monthly Meeting for hosting a session of Western Quarterly Meeting on 27 April 2014. We know that the work involved in hosting is significant for our smaller meetings, and so we hope our appreciation may be felt with even more gusto than usual. Our children spent the day outside learning about animals while our adults probed the outreach benefits of Friends education. Friends from Monthly Meetings across our Quarterly Meeting were blessed to be with New Garden for the day.
