

Hockessin Friends Meeting Presents: First Day School's Summer Schedule for 2014

Hello Friends,

Here is our summer fun activities calendar. If you have any concerns or questions about any of the summer events; please email me at roserupert87@gmail.com. Please feel free to invite a friend or friends to visit us on any Sunday! Also, do not forget to dress according to weather as well as the activity.

Have a great summer!!!

June:

Sunday, June 8th: Bring a friend Sunday! We will be planting plants, playing with water balloons as well as setting up for the annual RE picnic. Water ice will be served (...and yes some will be saved for the picnic!).

Sunday, June 15th: Water games and fun! There will be water balloon toss, water relays, sprinkler fun, and of course many other fun water games. Be sure to come dressed ready to get wet...don't forget your towels! If it rains on this date, we will watch a movie and eating popcorn.

Sunday, June 22nd: Bubble day! We will be making our own bubbles and creating bubble art outside. Other activity options will be provided such as Frisbees, badminton, jump rope, side walk chalk, etc...

Sunday, June 29th: Water Games Part II! Another fun filled water day; this time games will be chosen by our young friends.

July:

Sunday, July 6th: Peace is Patriotic Parade! We will be creating instruments and banners completed with a full march around the Meeting House.

Sunday, July 13th: Board games and art day! Everyone will have a variety of choices between board games and art activities.

Sunday, July 20th: Bring a friend Sunday! We will be making Ice Cream Sundaes and sharing with all Friends at the potluck. Also, we will be playing outside games that include but not limited to water balloon relay, milk jug race and sponge toss. Be sure to come dressed ready to get wet...don't forget your towels! If it rains on this date, we will watch a movie or play games before making our sundaes.

Sunday, July 27th: Water fun part III!!! Yes, yet another fun filled Sunday morning complete with water balloons and the sprinkler! Be sure to come dressed ready to get wet...don't forget your towels! If it rains on this date, we will be creating salt dough sculptures.

August:

Sunday, August 3rd: We will be going on a morning walk around the Meeting House grounds and then making piñatas.

Sunday, August 10th: On this date, if enough people are interested/available I would like to get a group and go walk the trail near Auburn Heights. I will be making announcements at Business Meeting as well as sending out more information by the end of June. A simple lunch will be provided. If it is too hot on this date, we will

have a water day instead. Please RSVP to me at ros Rupert87@gmail.com by July 10th; this will allow me to figure out how much food will be needed along with car pooling arrangements.

Sunday, August 17th: Bring a friend Sunday! We will be making our own soda-pop and doing other fun science experiments outside such as “goeoy corn”. Come and join us for some messy fun!!!!

Sunday, August 31st: Last water day! Anything goes! Any water activity along with lots and lots of water balloons!! Be sure to come dressed ready to get wet...don't forget your towels! If it rains on this date, we will watch a movie and or bake cookies.

September:

Sunday, September 7th: I would like to take a trip to another Meeting maybe to Philadelphia or Bartram's Gardens. Again, I will make an announcement and send out further information. Please RSVP me at ros Rupert87@gmail.com by August 7th.

Sunday, September 14th: Welcome back! We will be discussing what we want to learn this up coming school year as well as what we did over the summer.
