

**Draft Minute of Appreciation to Fallowfield Monthly Meeting
for Hosting Quarterly Meeting on 7.20.14**

We take this opportunity to minute our appreciation to Fallowfield Monthly Meeting in the hosting of the July 2014 session of Western Quarterly Meeting. It was a joy to find space for close-knit community. Our worship was gathered, and the topics inspired and galvanized us regarding the deeply troubling reality of the persistence of modern-day slavery. Human trafficking is an injustice to which the Quarterly Meeting has given witness in the past, and we were touched by the opportunity to deepen our discernment regarding it. We unite in the idea that our efforts to make the world a better place must be grounded in Spirit.
