

**Draft Minute of Appreciation to Fallowfield Monthly Meeting
for Hosting Quarterly Meeting on 7.20.14**

We take this opportunity to minute our appreciation to Fallowfield Monthly Meeting in the hosting of the July 2014 session of Western Quarterly Meeting. It was a joy to be welcomed and brought into a space of close-knit community. The program was well matched to the theme, "Lighting the Fire Within." Utilizing segments of Quaker Speak and guided discussion opened the way for a deeper level of worship, sharing and introspection. Friends had the opportunity to feel their roots grow a bit deeper and open their arms a bit wider. We left this gathering with gratitude, feeling well nourished spiritually, socially and physically.
