14.42- We approved the minutes of the WQ Meeting Support Committee Meeting held on 24 August 2014, with one correction. That correction relates to 14-37 to add "Fallowfield" to the sentence, "We discussed the desire for [Fallowfield] Monthly Meeting to take control of the Orthodox Fallowfield burial ground."

14.43- Friends agreed on Minute drafted for Fallowfield Monthly Meeting for hosting Western Quarterly Session. Minute reads: *"We take this opportunity to minute our appreciation to Fallowfield Monthly Meeting in the hosting of the July 2014 session of Western Quarterly Meeting. It was a joy to be welcomed and brought into a space of close-knit community. The program was well matched to the theme, "Lighting the Fire Within." Utilizing segments of Quaker Speak and guided discussion opened the way for a deeper level of worship, sharing and introspection. Friends had the opportunity to feel their roots grow a bit deeper and open their arms a bit wider. We left this gathering with gratitude, feeling well nourished spiritually, socially and physically."* Agreed to send minute to Dan Tracey, Clerk of Fallowfield.

14.44- Tour Committee Participation and Minute of Appreciation of Ruth Thompson. Friends approved Ruth Thompson's plan to publicly acknowledge her gratitude for Monthly Meetings' participation in the July tours of meetinghouses of the Western Quarter at the October 2014 Quarterly Meeting. Additionally, Friends agreed to write a Minute of Appreciation for Ruth Thompson for her hard work in organizing the tour of the WQ.

14.47- **Responses from Monthly Meetings to Western Quarterly Letter Regarding Finances dated September 12, 2014.** The consideration for each meeting is “to consider an increase in its financial commitment to the Quarter when it develops its next annual budget.” London Grove and Fallowfield are discussing the letter at their next business meetings. Kennett is handling it in stages. Kennett uses unified budget. Financial discussions in Kennett center on a desire for transparency for why the numbers are what they are. Hockessin has not discussed it. Centre is just in the beginning of the budget year and we will receive updates from clerk when to discuss it. Newark will discuss it next year. From the perspective of the Support Committee, the hope is that each meeting will be intentional in discussing its allocations to Western Quarterly and Philadelphia Yearly Meeting (PYM).

Representatives from Philadelphia Yearly Meeting will present the morning session and discussion. 10 AM- Workshop on Fundraising; 12 PM: Potluck; 1 PM Threshing Session.
