

Summer Music with Friends

Featuring the Nearly Valentines

Join Jeanmarie and Chris Braddock for a fun and engaging summer evening. The Nearly Valentines will present a lively program of music for violin and voice, accompanied by classical and 12-string guitars, dobro, mandolin and more. You will hear everything from modern bluegrass and New Orleans-style jazz to Greek and Celtic folksongs, as well as original compositions that fuse classical, world and other musical elements. Grab the kids and pack a picnic! This is not to be missed.
