Questions? Email fha@haverford.edu.

Speaker: Katharine Gerbner, University of Minnesota, author of *Christian Slavery: Conversion and Race in the Protestant Atlantic World*

Quakers are rightfully heralded as abolitionist crusaders, but the history of Quakers and slavery is not only about abolition. Quakers were also slave-owners, although most histories of Quakerism ignore or downplay this. Reckoning with this complex history of Quakers and slavery, Gerbner suggests, is crucial for moving forward in racial justice work today.
