

Report of Parkersville Meeting Property Trustees to Western Quarterly Meeting for 2018

The Annual Meeting for Worship was held Ninth month 9, 2018 with a smaller attendance than usual. Those present found the grounds mowed and trimmed, and generally well cared for.

The ashes of Barbara Thayer Sibley were buried 5th month 20, 2018 with several members of her family present. After burying her ashes, they held a short memorial service in the Meetinghouse.

We have a bid in the amount of \$21,606 for repointing the Meetinghouse. We hope for the work to be accomplished in the Spring of 2019.

Three members of our Committee met with the Western Quarter Property Committee in 12th month, when they came to look at the property and learn something of its history.

We accepted John Beer's resignation from the Committee with regret. We thank John for his many years of service to Parkersville.

Lars Farmer of Kennett Meeting willingly replaced John on the Committee.

We are willing to open the Meetinghouse for Friends who desire to hold Meetings for Worship on a regular basis so that the building can be used.
