FOOD FOR THOUGHT

(for grownups and kids!)

GIVING & RECEIVING

Draw or paint a picture that shows how you answer to that of God in everyone. Bring it with you to the Zoom on 1/17 and share the story with us if you want to (no pressure)!

Did you know that January 9 is National PLAY GOD Day?? Come to WQM with ideas about what you would do if you could play God for just one day!

Questions about the program, or anything else? Contact Claire Taylor, Western Quarter Youth Coordinator, at 717.342.4027 or Deb Wood, Western Quarter Coordinator, at 484.639.8536.

How Do You Know When You're Embodying Your Quaker Values?

- Does your body give you a clue? Where do you feel it?
- Can you remember a time when you *didn't* display your Quaker values, because you were scared, or too angry, or ashamed, embarrassed, etc.?
- Which feelings are more vivid? What are some things you can do that bring positive feelings?
