**Presentation by an
OT Driving Specialist and
Kendal Residents
plus
Tips for making the
Transition**

**ADAPTIVE
MOBILITY
SERVICES**

Are you an older adult thinking about transitioning to a non-driving lifestyle or a younger adult concerned about your parents driving status, then join us for a presentation by Susie Touchinsky, OTR/L, SCDCM, CDRS. Susie is an occupational therapy certified driver rehabilitation specialist, with experience as a driving instructor, and owner of Adaptive Mobility Services, LLC serving southeastern, PA. For decades, she has been committed to helping drivers understand and improve their driving ability and confidence after medical illness, a major medical event, health conditions, and injury. <https://adaptivemobility.com>

You'll also hear from 3 Kendal Residents who have made the transition from driving to non-driving lifestyles as well receive a list of transportation strategies to make a transition easier.
