Minute of appreciation

Western Quarterly Meeting minutes it's thanks for the care and welcome West Grove Monthly Meeting provided Friends when we gathered at their meetinghouse on First Day, April 21, 2024. West Grove Meeting did a spectacular job! We began with meeting for worship with attention to business. Friends were efficient and attentive to the issues before us. Worship brought forth a memory of the importance of going to Quarterly Meeting, to meet other Friends, and discovering at a quarterly meeting gathering that a school friend was a Quaker, too. Then in our present moment we witnessed some of the children discover their friends were Friends, too! The inclusion of intergenerational worship was a wonderful support for families with children. There were at least 9 children present for worship. Tiffany was awesome help with the kids outside. Heather's husband treated everyone to amazing smoked beef brisket. And lunch seemed to be a wonderful hit. We had a bright presentation from Dr. Faith Mitchell. Her ancestors grew up in the area and worked for several Quaker families. She shared what the experiences were of those ancestors, several employees and graduates of Lincoln University. We hope you were able to get the blinds up.
