### Proposed Queries from YM-QM-MM relationship sprint

- How does your Monthly Meeting relate to other Monthly Meetings and to Quarterly Meeting?
- In what ways does your Monthly Meeting let new attenders and members know they are also part of the wider community of Friends?
- In what ways does your monthly meeting allow space and personal energies to flow in the direction of the wider community of Friends?
- In what ways does your Monthly Meeting let new attenders and members know they are also part of the wider community of Friends?

Let some queries be part of the Quarterly Meetings' agendas:

- In what ways does the Yearly Meeting nurture or support the spiritual journey of your Quarterly Meeting and your Quarter's Monthly Meetings?
- What else could be done?
- What leadings and ministries are being nurtured in our monthly meetings at this time?
