

Dear Western Quarterly Meeting Families,

January is the time to apply for tuition assistance for your child(ren) to Friends Schools. To do this, please apply by downloading, printing, and then completing the following forms:

- 1) A form from Friends Council on Education for Philadelphia Yearly Meeting members seeking aid at Philadelphia area Friends schools. The funds come via the National Friends Education Fund;
- 2) A form from Western Quarterly Meeting (Tuition App 2026 Form). We do not all have the same deadlines and directions, so please track those carefully.

1. [National Friends Education Fund \(NFEF\) form](#) - funding for all PYM grants come from NFEF. The information and forms are available through the Friends Council on Education. Information, instructions, and the application form at Friends Council can also be accessed via the PYM website at the Quaker Education Grants page - <https://www.pym.org/grants/quaker-education-granting-group/>. Families need to complete their portion and submit it to their monthly meeting clerk to complete and submit by March 15, 2026.

2. Western Quarterly Meeting Tuition App 2026 Form - WQM has the William Jackson Education Fund Program open to member families with children entering grades K-12 in the fall of 2026. The application form is available on the WQM web site at [Apply for Grants](#), under the Resources tab. Please complete and submit by March 15, 2026.

Walking cheerfully with you,
Deb

Coordinator, Western Quarterly Meeting
