Wounding and
Racial Justice in
Quaker Communities**

**Lauren Brownlee and
Zenaida Peterson**

— PENDING HILL PAMPHLET 495 —

QUERIES:

- In what ways is your spiritual community similar to Status Quo Friends Meeting? In what ways does it share qualities of Love and Liberation Friends Meeting?
- When tension arises between the wisdom in continuing revelation and the wisdom embodied in tradition, what factors or practices can aid our communities to discern and take the next faithful step?
- How could your community or you move toward more liberatory patterns?
