Junior Interim Meeting Report

Dear friends,

Our first Junior Interim Meeting of the season was a great success! We travelled to Historic Fair Hill in North Philadelphia to aid in the care of their environment. We were fulfilling our 2013-2015 Children's Priority, discerned at Annual Sessions by the children in a deeply spiritual Quaker process.

The Children's Priority, 2013-2015:

"The Children of Philadelphia Yearly Meeting are called to make the world a better place by finding fun ways to care for specific environments so that creatures living there can be healthy."

We harvested tomatoes, chose trees we will continue to visit, picked up trash, saw some local animals, turned soil, made new friends, planted garlic, and wrote in our journals. I can't wait to go back in November, and for the following year.
