

Report of Parkersville Meeting Property Trustees to Western Quarterly Meeting for 2013

The Annual Meeting for Worship at Parkersville Meetinghouse was held Ninth mo. 8, 2013 with about 20 present. There was a deep, living silence which engendered two messages.

The Trustees reviewed the finances, and lamented the small amount of interest that our bank account garners. The Treasurer was authorized to look into making a \$10,000 deposit into one of our Friends Fiduciary accounts, or to open an account with Vanguard.

The property is regularly mowed and trimmed. During the year, the fencerow along the road was cleared and a new fence installed. It is our hope that this will help to prevent more vandalism, and allow the family living across the road to see intruders on the property.

New rain gutters will be installed before Winter and the few shingles missing on the roof replaced.

There were no burials during the year. There were no changes to the Trustees Committee.

As always, Friends are welcome to join those who gather at 9:30 on First Day mornings for Worship.

For the Trustees,

Mary Sproat
